TOURNAMENT RULES

How a Winner is Determined: In free-sparring competitions, the contestant who scores the most points at the end of two minutes or gains a three point lead is the winner. These points are awarded by decisions of the four corner judges and referee. One point is awarded for a hand or foot technique to a legal mid-section target. One point is awarded for a foot technique to a legal high-section target.

Legal and Illegal Target Zones: The only legal target areas are high section (from neck up) for foot techniques, and middle sections (from lower abdomen to neck) including both sides of the torso and the armpit, for hand and foot techniques. Techniques are to be controlled to 2 ½ cm, or under. Light uniform contact indicates this.

Illegal target areas are the whole of the spinal column, i.e. neck, back of head, backbone, groin, knees, throat and eyes. Blind techniques are prohibited.

Attacking Weapons: The only attacking tools to be used are the front fist, ball of the foot, heel, knife foot, and instep of the foot.

Warnings, Point Loss & Disqualification: Warnings will be issued for rule infractions. Three warnings constitute one minus point. Quarreling with any judge, attempting to end a match by injury of opponent, or the infliction of bruising, swelling, cut or

bleeding will result in disqualification. The referee has the power to disqualify any contestant at any time.

Grand Championship: the Grand Championship match shall consist of two, two-minute rounds with a one-minute rest between rounds.

Forms: Forms will be judged by a panel of five judges. Each judge may award a possible ten points. The highest and lowest scores will be disregarded and the total reached from the remaining points. **Groups may be combined or broken down further depending on number of participants in each belt color.**

Breaking: Breaking competition is available at all belt levels.

One Board	White through Orange
Two Boards	Green and Blue
Three Boards	Brown
Four Boards	Black

Appearance: Each contestant will compete in a clean uniform. Male competitors must wear groin protection. Hand and foot protection is required of all Black Belt competitors and hand and foot protection (saf-t-punch, saf-t-kick) is highly recommended for all.

Miscellaneous: Anything that is not covered by these rules shall be decided by the Tournament Directors, as shall any dispute over the interpretation of the rules.

****HEADGEAR REQUIRED FOR ALL SPARRING PARTICIPANTS (available for sale at tournament)**
